# SCHEDULE OF COURSES

## 1976

## SPRING SEMESTER

HARBOR CAMPUS
UNIVERSITY OF MASSACHUSETTS
AT BOSTON

# INSTRUCTIONS

The period from Monday, November 17 through Wednesday, December 3 has been set aside for ADVANCE REGISTRATION.

Please read the following instructions carefully and note that the instructions are divided into four sections:

1. Format of Schedule Book
2. Contents of Advance Registration Packet
3. Miscellaneous Information
4. Filling out Advance Registrations Cards

## FORMAT OF SCHEDULE BOOK

1. Course selections must be made from this schedule and the addendum list. Please do not select courses from this book without checking the addendum as changes have been made.

2. College Indicators: College affiliation in courses offered by the Colleges of Liberal Arts is indicated by the section number (s) of the courses. Odd-numbered sections are offered by College I; even-numbered sections by College II. Courses offered by Colleges III and IV numbered consecutively, with both odd and even section numbers. Students in the Colleges I and II, when registering for courses in the liberal arts are urged to sign up for courses offered by the College in which they are enrolled.

3. Alternate Advised -- Some choices are listed with the notation "Alternate Choice Advised". This is used for courses which in the past have been consistently overenrolled. This does not mean you cannot request one of these courses, only that you would be well advised to make it request # 3,4,7, or 8 on your advance registration cards so you may utilize the alternate choice option. (see sample 2 on the next page). It would also be helpful to use the four alternate choices whether or not it is specifically advised as their use enhances a student's possibility of obtaining courses.

4. Building Notation -- 1 = College I Building
   2 = College II Building
   8 = Science Building
   9 = Library
   PS = Park Squire (100 Arlington)

5. Time Notation -- 18:45 = 6:45 p.m.
   19:00 = 7:00 p.m.
   20:15 = 8:15 p.m.

## CONTENTS OF ADVANCE REGISTRATION PACKET

1. Advance Registration Cards with Alternate Course Requests -- Each student is given 2 cards on which to advance register so he may have the option of utilizing up to 4 alternate choice requests. Alternates may be used only with course choices number 3,4,7, and 8 in the spaces indicated on the cards. An alternate will be considered for scheduling only when all sections of the original choice cannot be scheduled. For example: Alternate 3 will be considered only if course request 3 cannot be scheduled. Similarly, Alternate 4 will be considered only if course request 4 cannot be scheduled. Alternates are not transferable from one choice to another.
   ALTERNATES SHOULD BE A DIFFERENT COURSE -- NOT A DIFFERENT SECTION OF THE SAME COURSE

RETURN CARDS TO THE PROPER OFFICE BY DECEMBER 3

COLLEGE I AND II STUDENTS RETURN CARDS TO THE REGISTRAR'S OFFICE
COLLEGE III STUDENTS RETURN CARDS TO THE LOBBY OF 100 ARLINGTON ST.
COLLEGE IV STUDENTS RETURN CARDS TO THEIR ACADEMIC ADVISOR

2. Free Time Request Form -- Optical Scan forms are again being used this semester so students may indicate particular hours during which they do NOT wish classes to be scheduled. The markings on Op Scan forms are read by machine. This means that they must be completed carefully -- no erasures, no stray marks, no folds, etc. -- to insure that the information can be interpreted. It is essential that a No. 2 lead pencil be used to fill in the slots corresponding to the times and days of the week during which you DO NOT WANT CLASSES SCHEDULED. Please try to use extra care with these forms. Only one will be issued to each students. Use of these forms may limit your chances of obtaining a complete schedule.

MISCELLANEOUS INFORMATION

1. All Advance Registration cards are processed at the same time. You have time between November 17 and December 3 to consult with your advisor and to fill in your cards carefully. There is no advantage to getting your cards in early; just be sure to return them to the Proper Office.

   College I and II students return cards to the Registrar's Office
   College III students return cards to the lobby at 100 Arlington St.
   College IV students return cards to their Academic Advisors

2. Please use blue or black pencil or pen to fill out your cards; do not use red pen or pencil. Use # 2 pencil for the Free Time Request Form.

3. Advance Registered students whose bills are paid by the due date will receive detailed schedules in the mail. Any student whose bill is not paid or cleared by December 17 will have his advance registration cancelled. All students are urged to advance register and to pay on time.

4. First day of classes - JANUARY 19, 1976

5. Seniors and Juniors may take five courses or fifteen credits, sophomores and freshmen four or 16 credits. A course load of three courses (minimum of 3 credits each) or twelve credits is considered full time. A student with a cumulative grade average of 3.0 or a 3.5 average from the previous semester may take an extra course with the permission of his advisor.

6. The Hebrew College Exchange Program will again be offered for the Spring Semester. Credit for all courses will be accepted at UMB toward graduation. For further information contact Ellen Engelson in the Registrar's Office.

7. For a listing of Language in Translation courses, which fulfill the language requirement, see the inside back cover.

8. Students in the junior level Management Program in the College of Professional Studies (College IV) should meet with their academic advisors to discuss Graduation Requirements before completing their Advance Registration cards.

FILL OUT ADVANCE REGISTRATION CARDS

1. Be sure that all numbers are written clearly and neatly and double check that entries are accurate. If a number is incorrect or illegible the entire transaction will be invalidated.

2. Use the 6-digit schedule number assigned to the specific section at the specific time you wish to take the course (see example 3 below).

3. When advance registering for a course with 2 or more parts (lect, lab, disc) be sure to include all parts or you will arbitrarily be assigned the missing portions. (see example 4 below)

4. After discussing your schedule with your advisor, have him/her sign the Advance Registration Card. All cards should be signed by an advisor and returned to the Proper Office.

CORE REQUIREMENTS, COLLEGE I

Option A

Each student in College I is required to take two semesters of writing, normally during the Freshman year. In addition, each student must take a distribution pattern consisting of twelve courses from among the six areas:

a) Historical and Cultural Studies
b) Foreign Language (or intermediate proficiency)
c) Philosophy, the Arts, Literature
d) Mathematics, Computer Language, Statistics
e) Natural Sciences
f) Social and Behavoiral Sciences

In fulfilling this requirement, the student must take two or three courses in each of four areas, and one or two in other areas, as necessary, to bring the total to twelve. No more than three courses may be allowed towards the requirement in any one area.

In cases where a course may be appropriate in the requirements in more than one area, the student may count it in only one, unless otherwise specified by the course description. Courses in a student's major may count towards the appropriate requirement. Freshman writing courses, Honors courses, independent studies courses, special topic courses, and certain applied courses do not satisfy distribution requirements. In the case of foreign languages, intermediate proficiency is satisfied either by examination or by successful completion of a foreign language course at the 200 level. Intermediate proficiency satisfies 3 of the 12 distribution courses. A student who does not achieve proficiency may offer only the courses taken in one foreign language in satisfaction of the distribution requirements.

Implementation

Students in the classes of 1976 and 1977 may, at their option, satisfy either the above requirements or the requirements in effect before September 1, 1974.

Core Alternative Advisory Group

The group has the function of considering petitions for exemptions from the core/distribution requirements of College I. Address questions to the College I Dean's Office.

Option B

Option B continues as a program only for those involved as Option B students prior to September 1, 1974.

## CONCENTRATION IN BIOBEHAVIORAL STUDIES

Students interested in Animal Behavior who are majoring in Anthropology, Biology or Psychology will be able to choose a concentration in Biobehavioral Studies.

The purpose of the concentration is to provide a broad foundation in the various approaches to the naturalistic study of the behavior of man and other animals. Students will be encouraged to pursue some aspects of it in depth. A concentrator will major in one of the three departments and take an appropriate group of courses in the other two departments. These courses cannot be completed in a short time and interested students are urged to consult with one of the advisors listed below as early as possible in their career. Course lists and requirements are available from these advisors.

NAOMI BISHOP
Anthropology I

JEREMY HATCH
Biology I

CELIA MOORE
Psychology I

It offers an opportunity to explore the history and heritage as well as the contemporary life and arts of Ireland and the Irish people from the perspective of various disciplines -- Literature, History, Art, Politics and Theatre Arts. In addition to a given major, the students selects six added upper-level courses appropriate to Irish Studies. For futher details, interested students should contact one of the following advisers: in College II, Professors Mary Curran (Director) English, Michael Mc Cahill, History, Louis Roberts, Theatre Arts, George Goodwin, Politics, Bates Lowry, Art. Students enrolled in College I should consult Professor Charles, Department of English, College I.
